

**LEGEND KEY** 

**Late Tertiary-Quaternary** Alluvium and Continental Sediments

**Tertiary Sediments and Volcanics** (Locally Non-marine) Including Plio-Pleistocene

**Jurassic-Cretaceous Great Valley Sequence** 

**Franciscan Complex** 

**Mesozoic Granite** 

**SB = Salinian Block** 

SAF = San Andreas Fault

**HFZ = Hayward Fault Zone** 

EBH = East Bay Hills

**CFZ = Calaveras Fault Zone** 

**MD** = Mount Diablo Complex

GFZ = Greenville Fault Zone

SV = San Ramon Valley
GV/CL = Green Valley/Clayton Fault System

AH = Altamont Hills

**TOFZ = Tesla-Ortigalita Fault Zone** 

LV = Livermore-Amador Valley
